

## Building Safer Roads; Creating Safer Drivers

### Safety doesn't happen by accident

1,500 young Queensland drivers are safer behind the wheel thanks to our road safety initiative for secondary school students. Since 2008, we have provided over 7,500 hours of free, professional driving training to learner drivers across the state. We enhance people's everyday lives, and by supporting safe driving skills and attitudes, we are helping to ensure that everyone on our roads arrives safely. [READ MORE >](#)

### Our values are more than words

We believe that the way we behave says everything about who we are. That's why we acknowledge and celebrate outstanding commitment to our core values by our people, through the 'Living the Values' Awards. Our people are the foundation of our success and the awards are one of the ways we recognise their contribution. [READ MORE >](#)

### Our leaders champion safety

The creation of the Leighton Contractors Youth Drive Safe Initiative has been championed by our leaders since its inception four years ago and continues to be driven by the passion, energy, inspiration and involvement of our people. We give more than money, we get involved. [FIND OUT MORE >](#)

### Are all of your people safe when driving on the job?

If employees use their personal car for work purposes, they belong to what is called the 'grey fleet' of vehicles on our roads. This group of drivers can often fall through the safety cracks because their vehicles are not subject to the same strict safety checks as company vehicles, and there is a lack of company policy or education in place to ensure their safety. Has your organisation considered its grey fleet? [READ MORE >](#)
